

PRIME MINISTER • PREMIER MINISTRE

I would like to convey my warmest greetings to everyone taking part in the 5th World TCM & Acupuncture Week.

This event provides researchers and practitioners in the field of traditional Chinese medicine and acupuncture a forum in which to share their knowledge, research and best practices. I am certain that everyone in attendance will benefit from the opportunity to learn from and network with their peers from around the world.

I would like to thank the organizers for their commitment to supporting education and professional development in the field.

I wish you all an insightful and productive week.
