

Finally, payments your business will *love*.

Helcim is the affordable payment solution for small and medium businesses accepting credit, debit and ACH payments. Is your business searching for a better way to get paid for your services?

No monthly fees, no contracts, no more high processing fees

With one free account, you'll get **unlimited** access to all the payment tools your business needs.

Payments made easy

Accept credit, debit, and ACH payments - whether you're selling online, in person, or both.

Transparent Pricing

With our interchange plus pricing, you only pay for the true cost of a transaction plus a small margin that decreases as you process more.

Real human support

There are no bots at Helcim. Our friendly customer service team is always ready to support.

Making the switch?

With our in-house support team, Helcim will securely migrate all your data with no disruptions to your payments.

Plus, if you switch from another payment provider, you're eligible for up to **\$500 in processing credit to help cover your cancellation or equipment costs**.

Helcim saves businesses 25% on average compared to competitors
